CLINICAL & PROFESSIONAL EXPERIENCE

2014-Present

Beck Psychotherapy, LLC, State College, PA

Owner/Therapist

I upstarted my private practice in 2013, and due to the demand for my services, expanded to a group practice contracting fee-for-service therapists. In addition to providing outpatient mental health treatment as described below, responsibilities include providing oversight for the practice, clinical consultation, leading a weekly clinical consultation group for the therapists, marketing, and working with insurance companies, negotiating reimbursement rates and credentialing therapists.

2013-Present

Private Practice Psychotherapist, State College, PA

Owner/Therapist

Providing individual counseling for adolescents and adults, specializing in trauma and abuse issues, as well as eating disorders. Experience in grief counseling, substance abuse, as well as parenting, and life skills. Experienced in providing training to groups on topics such as domestic violence, stress management, parenting, and anger management. Clients include Penn State undergraduate and graduate students as well as well as members of the Centre County community.

2017-2018

Yoga in State College, State College, PA

Yoga Instructor

Taught weekly yoga classes to Penn State students, as well as members of the State College community. Classes focused on the mind-body connection and what our bodies can do as opposed to how our bodies look. Strived to make yoga accessible to students of all body types and abilities, and meet students where they are at, offering modifications and props to help create a rewarding yoga experience.

2010-2013

Pennsylvania State University, University Park, PA

Clinical Services Provider

Sexual Assault and Relationship Violence Specialist

Provided individual, group and crisis counseling to undergraduate and graduate students in a University setting. Treated a variety of issues, including, but not limited to: depression, anxiety, grief and loss, academic distress, homesickness, adjusting to college life, substance abuse, trauma & abuse, and eating disorders. Part of the crisis team specializing in treating students that have been victims of physical and sexual violence. In this role, I was the liaison in several Sexual Assault & Relationship Violence Task Forces, department, university and community-wide. Successfully developed a multi-disciplinary eating disorder track that includes

members of the University Health System (UHS) team, as well as others within the University and the community, as needed, to support each student in their recovery process. As the Wellness Coordinator on staff, I, in conjunction with the Wellness Committee, planned events throughout the year to help promote staff self-care.

2010

The Renfrew Center, Ridgewood, NJ

Admissions Coordinator/Therapist

Responsible for assessing adults and adolescents with eating disorders, determining appropriate level of care, completing admissions assessment, and following up with case management, as needed. Coordinated with insurance companies to pre-certify patients for recommended level of care. Carried a caseload of clients with an eating disorders diagnosis who received weekly, ongoing treatment. Provided group counseling in the Partial and Intensive Outpatient programs.

2008-Forever

Mother of Triplets

CEO of Family

Skill-sets utilized include, but not limited to: time-management, multi-tasking, remaining calm during high-stress situations, activity organizer, anticipating needs before a situation arises, working long hours with limited breaks, creating and managing a consistent schedule, creating a stimulating, safe, and comfortable environment, working on developmental milestones, setting limits, as needed, providing unconditional love and support.

2005-2008

Private Practice Psychotherapist, Buckingham & Philadelphia, PA

Owner/Therapist

Upstarted a private practice first in Bucks County (Buckingham, PA), then moved to Manayunk (Philadelphia, PA). Provided individual counseling specializing in trauma and abuse issues, as well as eating disorders. Experience in the drug & alcohol field, as well as adolescents, parenting, and life skills. Experienced in providing training to groups on topics such as domestic violence, stress management, parenting, and anger management. Responsible for contracting with insurance companies and marketing.

2005-2008

White Deer Run, Philadelphia, PA

Mobile Assessor

Responsible for assessing and pre-certifying potential patients in the Philadelphia area for a drug & alcohol treatment facility. Required effective communication and coordination with the patient, the facility, and the insurance company. Crisis counseling and management were an integral aspect of this position.

2006-2007

The Renfrew Center, Philadelphia, PA

Admissions Coordinator/Therapist

Same job duties as described above for the Renfrew Center of New Jersey.

2004-2005

The Renewal Centers, Quakertown, PA

Community Liaison

Cultivated and maintained relationships with agencies, schools, probation department, therapists, social workers, hospitals, as well as other groups within the community that were in direct contact with adolescents. Fostered these relationships to raise awareness about the Renewal Centers program. Assessed clients for appropriateness in this inpatient drug and alcohol facility and completed pre-certification for admission. Covered a multi-county territory, including Philadelphia, Bucks, Montgomery, Northampton, Schuylkill, Luzerne, and the state of New Jersey.

2004

The Clinical Evaluation Unit (CEU) at Philadelphia Family Court, A Division of the Forensic Intensive Recovery Program (FIR)/Philadelphia Health Management Corporation (PHMC), Philadelphia, PA

Clinical Evaluator

Conducted drug and alcohol evaluations with adults and adolescents who had open cases through the Department of Human Services (DHS). Entrusted with determining the clinical appropriateness for services, coordinating funding, and referring clients assessed with substance abuse issues to treatment, matching each client to the program which best fits their individual needs. Monitored progress of clients in treatment and performing outreach services, as needed, were an integral aspect of this work. Recommendations and progress reports were submitted to those involved with court proceedings for each client, including the presiding judge, DHS Social Worker, and Court Advocates.

2002-2003

Kirkbride Center, Philadelphia, PA

Utilization Management Supervisor

Developed and maintained positive working relationships with behavioral health organizations such as BHSI, CBH, and Magellan. Excelled as the liaison between patient insurance companies and the inpatient drug and alcohol facility, through clinical expertise, patient advocacy, and adherence to each company's protocol. Instrumental in patients receiving appropriate level of care through outstanding review of patient cases. Successfully trained and supervised several vital positions in the program, including, Utilization Reviewer, Resource Coordinators, Detox Counselors, and Methadone Maintenance Coordinator. Also provided individual, group, and crisis counseling to patients,

including weekly domestic violence groups with both female and male patients. Coordinated with the treatment team regarding patient care. Contributed to administrative team operations by developing policies, protocol, and staff support practices.

2000-2002

Lutheran Settlement House Bilingual Domestic Violence Project/MCP Hospital, Philadelphia, PA

Domestic Violence Counselor, Medical Advocate, and Trainer
Provided exceptional individual, group, and crisis counseling to hospital patients and the community at large. Facilitated the training of hospital staff in the area of domestic violence screening. Effectively trained and supervised student interns. Emerged as a leader in Domestic Violence advocacy, as Chairperson of both the MCP Hospital Domestic Violence Task Force and the Philadelphia Hospital Domestic Violence Task Force. Participated in community outreach and community education on domestic violence. Successfully organized both citywide and hospital based domestic violence awareness events throughout the year. Developed and gained accreditation of domestic violence screening trainings. Revised domestic violence literature for both hospital and community use.

1999-2000

Lutheran Settlement House Bilingual Domestic Violence Project, Philadelphia, PA

Domestic Violence Counselor, Internship
Responsibilities included following up on client referrals, performing intakes, and providing individual counseling. Assisted clients with a myriad of services, including legal, housing, employment, welfare and custody issues. Additional duties consisted of assisting domestic violence hotline callers, facilitating and co-facilitating psychoeducational groups, writing daily progress notes, and participating in weekly supervision meetings to discuss case presentations.

1999-2000

Holcomb Behavioral Health Systems, Upper Darby, PA

Juvenile Delinquent Drug and Alcohol Assessor
Assessed clients referred by the Delaware County Probation Office. Responsibilities included obtaining background information on the client; evaluating the client using a biopsychosocial questionnaire and screening assessments; interviewing parent/guardian (if present); scoring and interpreting screening tools; and writing a comprehensive report for use in courtroom proceedings. Additional duties included communication with probation officers, auditing client files, and referring clients for case management services. Excellent client rapport, working autonomously, and adhering to deadlines were essential to the success achieved in this position.

- 1998-1999 **Holcomb Behavioral Health Systems**, Upper Darby, PA
Therapeutic Staff Support
Responsibilities included working one-on-one with clients (children) who had been diagnosed with behavioral problems in the classroom and/or home setting. Carried out treatment plans designated by the Behavioral Specialist. Participated in ongoing communication with supervisors, teachers, and the parent/guardian. Wrote weekly progress notes and participated in treatment team meetings. Accomplished optimal changes in client behavior through supportive and productive team dynamics.
- 1995-1998 **School District of Philadelphia**, Philadelphia, PA
Head Teacher, Head Start
Worked as a Head Teacher for the Pre-kindergarten Head Start program. Responsibilities included facilitating students' learning, designing classroom layout, and lesson planning; as well as administrative duties such as payroll, on-site leader, and liaison between parents and staff. Effective in many situations that required immediate problem-solving skills.
- 1993-1995 **Magic Years Childcare Center**, Bala Cynwyd and Exton, PA
