

JEFFREY ALAN HAYES, PH.D.

Pennsylvania State University
307 Cedar Building
University Park, PA 16802-3110
(814) 863-3799
jxh34@psu.edu

EDUCATIONAL BACKGROUND

- Doctor of Philosophy 1991 Counseling Psychology (APA accredited)**
Department of Psychology
University of Maryland
College Park, Maryland
- Master of Arts 1988 Counseling Psychology**
Department of Psychology
University of Maryland
College Park, Maryland
- Bachelor of Arts 1986 Psychology (with honors)**
University of Notre Dame
Notre Dame, Indiana

PROFESSIONAL EXPERIENCE

- 2006-present Professor of Counseling Psychology**
(Director of Training, 2009-2010, 2013-present)
Pennsylvania State University
University Park, Pennsylvania
- 2012-present Professor of Psychology (Courtesy Appointment)**
Pennsylvania State University
University Park, PA
- 2005, March Invited Scholar, National Taiwan Normal University, Taipei**
- 1999-2006 Associate Professor of Counseling Psychology**
(Director of Training, 2001-2005)
Pennsylvania State University
University Park, Pennsylvania
- 1993-1999 Assistant Professor of Counseling Psychology**
Pennsylvania State University
University Park, Pennsylvania

- 1992-1993 Visiting Assistant Professor**
 Department of Psychology
 Wittenberg University
 Springfield, Ohio
- 1991-1993 Adjunct Assistant Professor**
 Department of Psychology
 Ohio State University
 Columbus, Ohio
- 1991-1992 Psychology Resident**
 Counseling and Consultation Service
 Ohio State University
 Columbus, Ohio
- 1990-1991 Psychology Intern**
 Counseling and Consultation Service
 Ohio State University
 Columbus, Ohio
- 1989-1990 Instructor**
 Department of Psychology
 University of Maryland
 College Park, Maryland

TEACHING AND ADVISING

Teaching Experience

| <u>Location</u> | <u>Courses taught (level of students)</u> |
|-------------------------------|---|
| Pennsylvania State University | Research in Counseling (doctoral) Counseling Practicum (doctoral) Advanced Counseling Theory (doctoral) Career Counseling Practicum (doctoral) Supervision of Counselors (doctoral) Practicum in Clinical Methods (doctoral) Research in Counselor Education (master's) Counseling Theory (master's) Introduction to Counseling (undergraduate) First-year Seminar (undergraduate) |
| Wittenberg University | Psychological Testing (undergraduate) Research Design in Psychology (undergraduate) Introductory Psychology (undergraduate) |
| Ohio State University | Counseling Practicum (doctoral) |
| University of Maryland | Statistics for Psychology (undergraduate) |

Dissertations Supervised

- Huenefeld, N. E. (1998). Psychologists' attributions of responsibility for date rape.
(Supported by a grant from the Society for the Psychological Study of Social Issues)
- Wall, T. N. (1998). Counterfactual processes and client gender as sources of bias in therapists' blame and control attributions.
- Rosenberger, E. W. (1999). Exploring a model of countertransference: A case study.
- Fauth, J. (2000). Countertransference as a function of male client gender role conformity, therapists' gender role attitudes, and therapists' stress appraisals.
- Tozer, E. (2001). Predictors of seeking conversion therapy: Lesbian/gay identity, internalized homonegativity, and religious orientation.
- Erkis, A. J. (2001). The myth of objectivism in counseling psychology research: Reviewing reviewers' reviews.
- Fleming, M. C. (2002). Development and psychometric analyses of the Therapists' Reactions Toward People with Disabilities Scale.
- Bailey, J. P. (2002). Religious attributions of responsibility: Predicting reactions to negative events.
- Dahms, T. L. (2002). The effects of feminist identity development and self-identification as a feminist therapist on therapy behaviors and diagnostic practices of female therapists.
- Johnson, C. V. (2004). Psychotherapy with troubled spirits: A consensual qualitative investigation of spiritual problems in therapy.
- Baehr, A. (2004). Wounded healers and relational experts: A grounded theory of experienced therapists' management and use of countertransference.
- Myers, D. (2004). Therapist self-disclosure of countertransference: Necessity or indulgence? (Received the Sydney Jourard Award from the American Psychological Association's Division of Humanistic Psychology)
- Wolff, M. (2006). Exploring pathways to therapeutic effectiveness in substance abuse counseling.
- Cruz, J.M. (2007). Therapist fear of intimacy and loss resolution as predictors of successful termination.
- Vinca, M.A. (2009). Mindfulness and psychotherapy: A mixed-methods investigation.

- Ham, C.C. (2009). The wounded healer: A phenomenological investigation of the substance abuse counselor.
- Yeh, Y. (2009). Differential effects of self-disclosures of more resolved versus less resolved countertransference issues on ratings of the therapist and the session.
(Received the Sydney Jourard Award from the American Psychological Association's Division of Humanistic Psychology)
- Ortega, N. (2010). Individual and family perfectionism among Latino college students.
- Schendel, C. (2010). Therapist emotional intelligence and self-efficacy as predictors of countertransference management.
- Davis, D. (2011). Relations among meditation experience, mindfulness, differentiation of self, and countertransference management.
- Lee, T. (2012). Cultural identity and spirituality as mediators of the relationship between anxiety and disordered eating in African American women.
- Elreda, D. (2014). Examining how the ratio of students on campus to counseling center staff relates to dosage and counseling center treatment effectiveness.
- Effrig, J. (2014). The development of attachment to the therapist: A mixed methods case study.
- Johnson, M. (2014). Using the Core Conflictual Relationship Themes method as a countertransference coding technique.
- Graceffo, J. (2015). Seasonal affective disorder: Illuminating the latitude hypothesis.
- Lockard, A.J. (2016). Helping those who help themselves: Does counseling enhance retention?
- McClain, J. (2016). The cultural validity of the Counseling Center Assessment of Psychological Symptoms.

Undergraduate Honor's Theses Supervised

- Potere, J.C. (1999). The effect of gender and the quality of the social support network on help-seeking behavior in suicidal college students.
- Zentz, A.M. (2004). The wounded healer: Countertransference in bereavement counseling.
- Littlefield, C.M. (2013). Social anxiety, alcohol use, and social support on college campuses.
